Mr. Rohn Northeimer
West Virginia Department
of Natural Resources
1220 Greenbrier Road
Charleston, WVA

Dear Mr. Northeimer:

My staff has recently completed a preliminary assessment of the hazardous waste disposal sites identified below. The assessments were made as a part of the special EPA initiative to evaluate waste sites and to seek corrective action as appropriate.

✓ Chelyan Oil (WV-4)
Cabin Creek
Storage only (oil)

S. Charleston Municipal Landfill (WV-46)
S. Charleston
Active Municipal Site

Technical Center (WV-47)
S. Charleston
Active

George's Creek (WV-52)
Active

Manilla Creek (WV-1)
Inactive

Information available to us indicates that the above named sites do not pose an imminent or substantial endangerment to health or the environment and we believe therefore further investigations are unnecessary. In order to complete our disposition of the above sites, I am requesting you review your files and provide me with your concurrence/non-concurrence within two weeks following receipt of this letter. If you believe further investigation or remedial measures are necessary, I would appreciate your advising me.

Should you have any questions, please contact me at (215) 597 0080.

Sincerely yours,
